The Diabetes Advocacy Alliance™ Policy Briefing

CHANGING THE COURSE OF DIABETES

Type 2 diabetes is a national public health emergency that affects every American family. Its human and economic toll could devastate our healthcare system, yet there are many ways we can prevent or delay this chronic disease. In coordination with American Diabetes Association Alert Day®, join us for lunch and a discussion on the growing epidemic, the need to know your risk, and the role of screening to avert, detect and appropriately manage the disease.

Honorary Hosts:

Senator Jeanne Shaheen (D-NH)

Senator Susan Collins (R-ME)

Co-Chairs, Senate Diabetes Caucus
